To Garderie Animee,

My husband and I, sincerely appreciate the wonderful care you have given our daughter, Angelina.

We never had to worry about her because we knew that she was always in good care. You provided her with a safe environment which was very important to us. Your daycare is the perfect size because we felt she got the attention she needed to grow emotionally. In addition, we are very happy in all that she has learned in the past 2 years.

Our expectations have been exceeded with the level of love & care she had received from your Garderie Aimee.

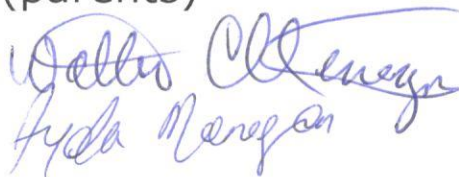

We cannot thank you and your staff (Erika, Lan, Phyllis Fiona, Jennifer) and specially Daphne enough for the long hours you put in everyday to care for our daughter.

We will continue to recommend your daycare to other parents.

Thank you very much it was a great experience.

Sincerely,

Walter & Ayda Menegon
